

IRRIGATION PIVOT TIRES

Molded at our West Point facility, our steel-belted radial recaps are available as loose tires or as complete, tubeless assemblies mounted on 8-hole or 9-hole universal rims.

- 11R22.5
- 295/75R22.5
- 11R24.5

For more aggressive tread patterns, taller profiles, or tires engineered for different soil conditions and compaction, call and speak with a salesman.
